# join us

By joining AHP, you are not only getting affordable, no-nonsense liability insurance coverage—you are becoming a part of a community of creative artists, industry leaders, and passionate professionals who can help you advance your career with relevant education, actionable advice, and dependable protection. We are dedicated to YOUR success financially, artistically, and personally.

# Real Protection

## Professional Liability Insurance

- Up to \$2 million per occurrence
- Up to \$6 million total per policy year
- Covers professional, general, and product liability
- Covers you wherever you work, no matter how many settings

We have the highest available limits in the industry, competitive pricing, no charge for additional insured endorsements, and no shared aggregate.

As a member, you can view or download your certificate of insurance online any time.

### **Additional Insured Endorsement (AIE)**

AIE comes at no additional cost with your membership. This coverage is sometimes required to rent or lease a space from a landlord or business location.

---

### **Business Personal Property (BPP) Insurance**

For an additional cost, BPP protects your business possessions, equipment, and inventory in case of a fire, theft, or flood.

## Real Benefits

### **Business Resources**

- AHP Career Toolkits that set you up for success with easy business calculators to help you start your business
- AHP Edition of PocketSuite to help you run your business with free online scheduling, credit card processing, appointment reminders and more
- Legislative toolkits that empower you to advocate for your industry
- Free website, site builder templates, and professional email address for the duration of your membership
- Discounts to more than 50 partners offering professional products, continuing education, health insurance, and more

## Exclusive Resources

- Print and digital subscription to the award-winning *AHP Indie Stylist* magazine featuring trends, industry updates, and expert advice
- Blog posts covering topics like trending cuts and colors, business tips, marketing ideas, and legislative news
