Associated Hair Professionals (AHP) is the only association designed exclusively for independent hairstylists and barbers who want next-level success. Make sure you're dealt a good hand with:

- Professional liability insurance
- Education
- Career support

AHP's mission is to provide hair professionals a comprehensive suite of benefits that protect your career and help you thrive in your journey.

Real Protection

Professional Liability Insurance

- Up to \$2 million per occurrence
- Up to \$6 million total per policy year
- Covers professional, general, and product liability
- Covers you wherever you work, no matter how many settings

We have the highest available limits in the industry, competitive pricing, no charge for additional insured endorsements, and no shared aggregate.

As a member, you can view your certificate of insurance online any time.

Additional Insured Endorsement (AIE)

AIE comes at no additional cost with your membership. This coverage is sometimes required to rent or lease a space from a landlord or business location.

Business Personal Property (BPP) Insurance For an additional fee, BPP will protect your business possessions, equipment, and inventory.
